**SOUTH CAROLINA PUBLIC SERVICE COMMISSION****STANDING HEARING OFFICER DIRECTIVE****DOCKET NO. 2020-125-E ORDER NO. 2020-78-H****AUGUST 18, 2020**

C. Jo Anne Wessinger Hill  
Standing Hearing Officer

**DOCKET DESCRIPTION:**

Application of Dominion Energy South Carolina, Incorporated for Adjustment of Rates and Charges (See Commission Order No. 2020-313)

**MATTER UNDER CONSIDERATION:**

Request for Additional Information Related to Accounting and Pro Forma Adjustments

**STANDING HEARING OFFICER ACTION:**

Counsel for Dominion Energy South Carolina, Incorporated (DESC) filed its Application dated August 14, 2020. Upon review of the Application for compliance with Commission Regulations, Commission staff discovered that on Exhibit C-2 of the Application, pages 1 and 2, DESC includes proforma adjustments for the "Operating Experience – Total Electric" but does not include the information for "Regulatory per Books" and for "Proforma Adjustments" for "Operating Experience – Retail Electric" on which the Rate of Return is calculated. This information is needed and must be provided with the Application.

The information provided on Exhibit C-2 of the Application, pages 3 and 4, includes all the proforma adjustments for Total Electric and the Regulatory Per Books for Total Electric, but the same information and/or adjustments for Retail Electric cannot be found in these exhibits. This information is needed and must be provided with the Application.

This is information which DESC has available and would have had available for the preparation of the Application. The Standing Hearing Officer finds, for good cause, that DESC must provide and file this information and the related Exhibits as soon as possible but no later than Friday, August 21, 2020.
